ABOUT ME

I am a passionate Front End Web Developer who loves coding and embracing new technologies, building products and solving problems. When I undertake a project, I always give 100%. In my free time I like to read about emerging web trends, expanding my skills and toolbelt, playing guitar, watching movies, playing Xbox, and being with my wife and 2 kids.

TECHNICAL SKILLS

Strong: HTML, CSS, Javascript, jQuery, Bootstrap, REST
Knowledgeable: Git, React, Node, Sass, Webpack
Software: Atom, Gimp

EDUCATION

2015 - present

- Free Code Camp
- Code Academy
- Lynda
- Udemy
- Pluralsight
- Stack Skills
- Stack Overflow
- Medium

REFERENCE

Ryan Ore - Web Engineer at Chicago based Jellyvision
